

# End-of-Sale for MediaPack 124, MediaPack 112, and MediaPack 114 FXO

## Product Notice #0546

This Product Notice is a formal announcement by AudioCodes that its MediaPack 124 (MP-124), MediaPack 112 (MP-112) and MediaPack 114 FXO (MP-114 FXO) Analog Gateways will reach End-of-Sale (EOS) status on April 1, 2025.

After this date, these products will transition to General Service (GS) stage. Please refer to [AudioCodes Life Cycle Policy](#) for more details.

### Life Cycle Milestones

- **End of Product Sale notification date:** October 1, 2024
- **End of Product Sale and Last-Time Buy (LTB) date:** April 1, 2025
- **Last Time Shipment date:** June 1, 2025

### Product Migration

The direct replacement for the affected products is AudioCodes MediaPack 5xx (MP-5xx), which offers enhanced capabilities. We encourage customers to transition to the MP-50x for a seamless experience. Please contact your local sales representative for more information.
